

# BIOGRAPHICAL STATEMENT

## Carol Hanson

**Carol Hanson** is the former Manager of Corporate Services for Best Buy Co., Inc. Carol started with Best Buy in 1997, and was one of the project managers for the “Process to Profits” strategic initiative. In 2003 Carol was part of the Corporate Facilities group that worked on the design and build of their new Corporate Headquarters building located in Richfield, MN, home to over 6,200 employees and contractors. Responsible for third-party vendors at their new campus, she has brought over 15 services to the employees at Best Buy and continues to look for opportunities to put the employees first every day. Before retiring, Carol managed Corporate Services at Best Buy, food service, mail/shipping/receiving, banks, company store, fitness center, day care, pharmacy and clinic to name a few as well as Corporate Conference Services, Auto Services and Corporate Transportation.
