

BIOGRAPHICAL STATEMENT

Bronwyn Mauldin

Bronwyn Mauldin is creator and author of the WorkforceDevelopments.com blog. She has been a researcher, evaluator and program developer in nonprofits, government and philanthropy, primarily in the field of workforce development. She has conducted research on short-haul truckers, evaluated farmworker programs, analyzed best practices for low-income car ownership programs and studied community organizing in rural northeast Thailand. Bronwyn has taught program evaluation and strategic planning to community-based organizations. She also teaches workshops on web 2.0 and social media for organizations and individuals. You can reach Bronwyn at bronwyn@bmauldin.com.
